

SAFE PRIVACY POLICY

Your privacy is of vital importance to us.

SAFE
PAYMENTS

When using the services and the website of SAFE Payments, we collect personal data. We understand the great importance of safeguarding the confidentiality of your personal data. These are carefully processed and secured by us. We do this in accordance with applicable privacy laws and regulations, such as the General Data Protection Regulation (the "GDPR"). The GDPR applies to the processing of personal data of residents of the European Union. Pursuant to the GDPR, personal data are all data relating to an identified or identifiable individual.

WHAT PERSONAL DATA WE MAY COLLECT FROM YOU AS A SAFE USER

- firstname, initials and surname
- address details
- (mobile) phone number
- email address
- unique address of your device (IP address)
- unique software data from your device

WHERE WE USE YOUR PERSONAL DATA FOR

- To register as a new SAFE user.
- To perform our services.
- For Relationship Management and service messages.
- To ensure that the website is operating optimally.
- For performing anonymous analyses of the use of the website.
- To comply with legal obligations.

WITH WHOM WE SHARE YOUR PERSONAL DATA

- With the other party, only if necessary (e.g. name and address for the payment and shipment of a product).
- With parties for which you have given express permission, including Online Payment Platform for the execution of the transactions.
- With the police or government agencies in case of suspicion of fraud, violations or crimes.
- If we are required by law to provide information.

WHAT CONTROL DO YOU HAVE OVER YOUR DATA?

- You can ask us what information we have registered about you: contact@safepaymentsonline.com.
- You can update your details with us.
- You can ask us to remove your data, in which case we will only remove the data that we do not have to keep in accordance with our legal obligation. We store transaction and account information for a maximum of 7 years. The terms apply from your last login.

HOW DO WE HANDLE YOUR PERSONAL DATA?

- We store your personal data in a secure environment.
- SAFE Payments makes every effort to protect these systems against loss and/or unlawful use of data.
- Only our employees who need your data for their work can view the data.
